Safety Awareness Program
Toolbox Talks
Standard Programs

- Office Safety
- Arc Welding
- Driving Safety
- Using Personal Protective Equipment
- Work Permits
- Oxygen and Acetylene
- Compressed Gas Cylinders
- Electrical Safety
- Electrical Lockout
- Portable Electric Tools
- Confined Spaces
- Respiratory Protection
- Scaffolding – Tube Scaffolds
- Ladders
- Lifting and Rigging
- Cranes and Overhead Power Lines
- Excavations
- Pneumatic Tools
- Hand Tools
- Machine Practice
- Workshop Practice
- Use of Compressed Air
- Heavy Equipment
- Storage and Handling of Chemicals
- Use of Fire Extinguishers
- Emergency and Evacuation Procedures
- Fall Protection
- Forklift Operation
- Responsibilities for Safety
- Heat Stress
- Hand Safety
- In climate Weather Rules
- Towing Vehicles
- Demolition Safety Procedures
- Material Handling and Storage
- Fire Prevention Outdoors
- Fire Prevention Indoors
- Housekeeping
- Accidents and Damage Reporting
- First Aid
- Client Relationship – Safety Rules and Regulations
- Intrinsic Safety and Equipment
- Working Inside Gathering Centers
- Injury Reporting
- Clinics / Hospital and Ambulance Procedure
- Working On Flow lines
- Gas Detection Equipment
- Self Contained Breathing Apparatus
- Changing Tires/Towing Vehicles

- Camp Safety
- Using Solvents
- Sand Blasting
- Road Safety – Wet Roadways
- Complacency
- Chemicals Hazards And Protection
- Heavy Duty Vehicles Drivers
