

Al Nahdha receives IMS accreditation

Al Nahdha Group (ANG) is an Oman-based internationally operating group with affiliates spread across the Middle East, India and Italy offering a broad range of services. Led by a professional and visionary management, ANG has risen from a modest beginning in 2001 and evolved into a trusted business leader in a remarkably short span of time by providing excellent services to its valued clients.

The main activities of ANG along with its principals include mechanical, fabrication, machining, refractory, fire proofing, painting, scaffolding, insulation, landscaping services, plant, machineries, vehicles and manpower solutions.

Al Nahdha Overseas LLC, the flagship company of Al Nahdha Group was recently awarded an accreditation for successfully implementing Integrated Management Systems (IMS) comprising of Quality Management System, ISO 9001:2015; Environmental Management System, ISO 14001:2004 and Occupational Health & Safety System, OHSAS 18001:2007 by SQGC, Dubai at a grand function held at Al Nahdha Gardens, Sohar.

Speaking on the occasion,

Giovanni Piazzolla, director of Al Nahdha Overseas LLC emphasised that ANG always believed in its Motto "Committed to serve beyond your needs". Piazzolla asserted that securing IMS accreditation was a big step towards achieving the corporate goals of ANG even while ensuring the health & safety of its workforce, providing enough care for the environment and maximising the quality of its services thereby benefitting its customers who will enjoy more value-added services complying with international standards.

Deepak Gupta, general manager, ANG (Oman) while sharing his happiness on receiving the coveted accreditation stressed that safety shall take precedence over convenience and the group shall spare no efforts to ensure effective implementation and maintenance of these Integrated Management Systems. Thanking the management and employees of ANG for their cooperation and support in achieving this milestone, Mohammed Abdalla Yarub al Busaidi, local partner of Al Nahdha Overseas LLC expressed his confidence that IMS accreditation will further accelerate the growth.
